M. M. BEN HALIM AND G. A. WADI: Effect of Milcurb (Dimethirimol) and Morestan (Quinomethionate) on the Control of Powdery Mildew of Cucumber 1

M. A. EL-SHARKAWY, K. SGAIER AND M. M. RAMADAN: Response of Wheat to Cycocel Application—I. Effects of nitrogen level and CCC concentration on plant height of dwarf and tall wheat 13

M. A. EL-SHARKAWY, K. SGAIER AND M. M. RAMADAN: Response of Wheat to Cycocel Application—II. Effects of nitrogen level and CCC concentration on yield components of dwarf and tall wheat (Triticum aestivum) 21

H. GOMA, M. M. MOUNIR AND Y. EL-BARONI: Sex Expression and Yield Responses of Squash Plants to Ethrel 27

MOHAMED SHAGRUN: Bean Yellow Mosaic Virus on Broad Bean Plants in Libya—I. Identification of the casual agent 33

MOHAMED SHAGRUN: Bean Yellow Mosaic Virus on Broad Bean Plants in Libya—II. Purification and electron microscopy 39

MAHMOUD M. MOUNIR: Germination, Seedling Vigorosity of Sunflower Plants and Physical Properties of Soil as affected by Agrosil and Irrigation Intervals 43

JAGDEV S. SAWHNEY AND STANLEY R. ANDERSON: Performance of Empire and Viking Birdsfoot Trefoil Lotus corniculatus L. in Simple Pasture Mixtures 51

JAGDEV S. SAWHNEY AND STANLEY R. ANDERSON: The Effect of Cutting Frequency on the Persistence and Dry Matter Yield of Some Grasses and Legumes Seeded Alone or in a Complex Pasture Mixture 57

HANI AFIFI, MAHMOUD EL-SHAHAT, JOHN FRIZELL AND BASHIR EL-WIFATI: Socio-Economic Characteristics of Agelat, Libya 63

MOHAMED ASSEED: Physical Characterization of Some Libyan Soils in Sidi El Mesri Area in the Jaffara Plain 69

MOHAMED ASSEED: Soil Water Evaporation as Affected by the Placement of a Coarse Layer: a Laboratory Soil Column Study 77

MOHAMED ASSEED AND KHALIL SOLIMAN: Water Diffusivity and Capillary Conductivity Studies of Some Libyan Soils: Valley Soil in Sidi El-Mesri in the Jaffara Plain 91

M. ABAZA AND M. EL-MONSEF: Soil-Moisture Tension Effects on Root Development and Shoot Growth of Alfalfa 103

M. ABAZA, F. DOMI AND M. KARAZ: Water Requirement for the Onion as Influenced by Soil Moisture Content and Soil Moisture Tension 109

A. J. SALMAN AND J. MCGINNIS: Enzyme Activity in Pancreata of Hens Fed Raw Soybean Meal 117

A. J. SALMAN AND A. ABBUBAKR: On the Quality of Market Eggs in Tripoli, Libya 121

Instructions to Authors 124
